- English (Intermediate)
- Arabic(Basic)

PROFILE

Motivated Software Engineering student with a strong interest in software development and programming. Possess a solid understanding of core programming concepts and logical problem solving. Highly eager to learn new technologies and apply academic knowledge in a professional setting. Seeking an internship opportunity to enhance practical skills and gain valuable industry exposure.

EDUCATION

Bachelor of Software Engineering   2024 - 2028
Comsats University Islamabad,Abbottabad
GPA: 3.6 / 4.0

20+ PROJECTS

Project 1: Mobile App UI/UX Design – Food Delivery App
Role: UI/UX Designer
Tools: Figma, Adobe XD
Designed a complete food delivery mobile app from scratch focusing on user-friendly navigation and clean UI.
Created user personas, user flows, and wireframes to improve user experience.
Developed high-fidelity prototypes including Login, Home, Restaurant Listing, Cart, and Checkout screens.
Applied UI principles such as color theory, typography, spacing, and consistency.
Improved usability by reducing user steps during ordering process.

Project 2: Website UI/UX Design – NGO Donation Platform
Role: UI/UX Designer
Tools: Figma
Designed a responsive NGO website to promote donations and social awareness.
Created structured layouts for Home, About Us, Donation, and Contact pages.
Focused on user-centered design to make donation process simple and trustworthy.
Designed wireframes and prototypes ensuring accessibility and visual clarity.
Demonstrated strong understanding of UX research and information hierarchy.

Project 3: Admin Dashboard UI/UX – Management System
Role: UI/UX Designer
Tools: Figma
Designed a modern Admin Dashboard UI for managing users, data, and reports.
Created dashboard components such as charts, tables, cards, and navigation menus.
Focused on clean layout and usability for quick decision-making.
Maintained consistency in design system including buttons, icons, and typography.
Improved user efficiency by organizing information in a clear and structured way.

ACHIEVEMENTS & CERTIFICATION

- Shining Star Scholarship – Awarded for excellent performance in NTS Entry Test at COMSATS University.

- Cisco C and Python Programming Certificates
- HP Life Ambassador Badge – recognized for technical learning and contributions

10+ additional certifications in Data Science & Analytics, Social Media Marketing, Design Thinking and Your Target Audience etc
